Memo # U2021-032
3 Mar 2021

Memo to : The University Community

Subject : Director of the University Gender Hub

Further to my memo of 8 Oct 2020 (#2021-09) on the establishment of the interim University Gender Hub (UGH), I wish to apprise the community of the revised appointment of Dr Mira Alexis P Ofreneo as its Director, going beyond her initial appointment as its Coordinator. Her term will be from 1 March 2021 to 31 May 2024.

The UGH itself is made permanent, though the work continues on exploring the best possible arrangements for establishing its representative or satellite offices/services in the various campuses or schools.

I continue to ask the academic and central administration units to collaborate with Dr Ofreneo on providing the UGH with resources and other support necessary to enable it to extend its pertinent services and carry out its functions.
