Memo No. AGSB-OD-2425-010

---

To our students and staff in the Sta. Rosa Campus, and to professors with scheduled classes for the students there, we will be reopening the campus today, Wednesday, August 21, as the atmospheric conditions have now improved.

Students can now come to the campus to attend the three classes scheduled for Thursday and one class for Saturday, to fulfill their onsite hours attendance requirement. The professors will be on another campus and will conduct classes in Flex mode to enable Sta. Rosa students to log their onsite hours.
