GRADUATE SCHOOL OF BUSINESS

Memo to : AGSB Community

Memo from : (sgd.) Jowett Cecilio F. Magsaysay, MBA, PhD
Dean

Date : 28 August 2024

Subject : Onsite classes and work for August 28, 2024
Memo No. AGSB-OD-2425-014

Regarding onsite classes and work today, August 28, Wednesday:

- The NDRRMC has recommended the suspension of classes and work
- Several LGUs in Metro Manila have called off classes in all levels

Even as we wait for an official announcement from the Makati City Government, and there has not been any as of this writing, we'll fall on the side of safety and call off onsite classes and work today.

This includes all Rockwell Campus and Salcedo Campus classes, as well as in the Satellite Campuses.

For students who have onsite classes scheduled today, please check your Canvas page for your course, as your professors will communicate the status of your class, whether it would shift to online synchronous session via Zoom, or an asynchronous session.

For the ME program, there are no classes scheduled this week.

For CCE, the online classes will continue as scheduled, and the offsite classes at the client's site will follow the client's preferences.

Please be safe, everyone.
