Date : 19 September 2024

Subject : Technical issues regarding payment for registration for Term 1
and 1st Trimester, and how to resolve these
Memo no. AGSB-OD-2425-019

BPI will be undergoing system maintenance, which would mean that online banking tuition payment will not be available from September 20, Friday 10 pm to September 22, Sunday, midnight. Those who pay using this system at any time on Friday will not be included in the class lists by Monday. And you won't be able to access this system at any time on Saturday.

Students can use other payment facilities.

1. The preferred payment procedure is to use a Visa or Mastercard credit card, as this would facilitate your automatic entry into the class list.
2. You can also pay through BDO, using online banking or over-the-counter services during BDO banking hours.
3. You can pay over the counter at any Metrobank branch. Please note that Metrobank branches will be open on Friday 20th but not on Saturday 21st.

Please be guided accordingly.
