Memo to : AGSB Community

Memo from : (sgd.) Jowett Cecilio F. Magsaysay, MBA, PhD
Dean

Date : 24 October 2024

Subject : Shift of onsite classes to online, for October 25, 2024
Memo No. AGSB-OD-2425-022

Due to the continuing inclement weather brought about by tropical storm Trami/Kristine, onsite classes in AGSB will shift to online mode on Friday, October 25, 2024.

- The scheduled onsite classes will shift to online.
- The scheduled online classes will continue.
- For students in the Satellite Campuses - Clark, Sta. Rosa, Iloilo, Cebu - announcements regarding the onsite classes will be made by the Satellite Campus Directors. As in all campuses, online classes in the Satellites will continue as scheduled.
- For AGSB-CCE, online classes, whether PO or IP, will continue as scheduled. For the onsite sessions of IP programs, we will follow the decision of the client company.
- Work shifts to WFH mode.

I have also received reports from the program representatives that some students have not been able to connect to the online classes or to Canvas, yesterday and today, due to connectivity issues. I will be discussing with the professors of these students how they could catch up with the rest of the class.

Please take care, everyone.
