The Healthy Cafeteria Initiative represents Ateneo de Manila University's commitment to providing convenient access to nutritious meals across all Ateneo de Manila campuses. This program aims to transform our cafeterias into spaces that promote healthy eating habits and well-being within our community.

Mr Jerome Michael A Montaner, PFT, FSCO, Head of the Office for Food Safety and Quality Assurance chairs the committee. The committee is composed of members from the Office for Food Safety and Quality Assurance (OFSQA), the Asst Vice President for Health, Care, and Well-being/University Physician, the University Business Affairs Office (UBAO), Students, Parents, Employees representing all campuses, and Food Business Operators. Reporting directly to the Vice President for Administration, the committee fulfills these key roles:

1. Enhance the community's health and well-being through proper nutrition practices and adherence to national nutrition standards.
2. Regulate unhealthy food sales, provide affordable healthy food options, and reduce food waste.
3. Support Health Programs: Advocate programs aligned with established nutrition guidelines

I thank the members of this committee for their generous commitment to promoting a healthy diet and good nutrition practices in the community.

For your information and guidance.

(Sgd) Roberto C Yap SJ
President
